Safe & Convenient CPR & First Aid Training, Wherever You Are

Simple as 1-2-3:

- 1) We send you a manikin before the class;
- 2) You complete the online course prior to class;
- 3) You then demonstrate your CPR skills on the manikins we sent you to a live instructor via a live 2-way audio/video session (like Zoom, Microsoft Teams, FaceTime, etc.). The remote skills session lasts about 45 minutes.

These remote courses include hands-on training and skills evaluation, as required by most licensing. Know CPR remote courses are NOT online-only training programs.

After successfully completing the online course and the live remote skills evaluation, you will receive a CPR & First Aid card **valid for two years.**
