Don't need certification, but want to be prepared? Learn Practical CPR & Choking Rescue Skills

**JUST 60 MINUTES -- AT YOUR LOCATION -- UP TO 20 PEOPLE --
ONLY \$200**

- Sudden Cardiac arrest strikes about 360,000 people a year.
- Choking is the fourth leading cause of unintentional injury death. Of the 5,051 people who died from choking in 2015, 2,848 were older than 74.
- Accidents and injuries are the most common safety concern for children.

Know CPR, which has taught over 70,000 people CPR & First Aid, now offers an affordable course -- AT YOUR LOCATION -- that teaches Adult & Child CPR & AED, choking rescue techniques for those who just want to learn what do to do in an emergency, but that do not require certificates.*

This course does not offer certification, but is perfect for family members and friends, new parents, restaurant employees, law firms, government offices, members of local education, business, or religious communities...anyone who desires to learn these potentially life-saving skills.
