Jill Student

Dear Jill

Congratulations on successfully completing your American Safety & Health Institute Basic First Aid/CPR and AED for Adult/Child/Infant class. In an effort to be more environmentally friendly your ASHI Approved Training Center has chosen to issue your certification card electronically.

The digital certification card below is identical to a printed version of the card and documents that a properly authorized ASHI Instructor evaluated your knowledge and hands on skills in accordance with the program standard. You may duplicate this page as needed to provide proof of your training.

Go online to access your ASHI Passport and take advantage of the additional training resources available to you:

- Digital download of Student Handbook
- LearningLinks™ Refresher Scenarios
- Mobile Application Downloads
- E-mail Renewal Notification
- Rate Your Program Survey

Register now at www.hsi.com/passport/. Use the registration code 2662 to register.

This card certifies the holder has demonstrated the required knowledge and skill objectives to a currently authorized ASHI Instructor. Certification does not guarantee future performance, or imply licensure or credentialing. Course content conforms to the 2010 AHA Guidelines for CPR and ECC, and other evidence-based treatment recommendations. Certification period may not exceed 24 months from class completion date. More frequent reinforcement of skills is recommended.
